FRATERNALLY YOURS...

With reference to your kind letter of November 15, 1958, please be advised that it is my firm intention to remain gratefully and loyally as a part of the Ascended Masters and Their **Bridge to Freedom Activity.** Please accept also my gratitude to the Beloved Maha Chohan for the wonderful service He is rendering through the "Thomas Printz Private Bulletin".

•

Personalities do not interest me. I stand for the Light and for Principle. I can see already the benefits of your reorganization through the pages of **The Bridge** magazine.

•

I humbly, gratefully and loyally wish to stand and be counted as a part of the Ascended Masters and Their **Bridge to Freedom Activity.**

•

I will stand firm for the **The Bridge Activity** and all it means and I will not allow any one to try to turn me aside from the Path to Freedom.

•

The Editor Says: It is a source of great joy to see the loyalty and enthusiasm of the Bridge Student Body because it is born of their understanding that the Ascended Master Instruction cannot be mixed with any other teachings, however attractive they may appear to people who may be very good but lack the common sense to know that they cannot reach their destination if they want to travel at the same time in different directions, or as one of your religions puts it very graphically "who light a candle to a Saint and another to the devil".

Monthly Message to the Transmission of the Flame Class on October 17th, 1959

Beloved Children of the Light:

I have come to bless you and to invite you personally to visit again the Holy Temple of Our Glorious Lord Zadkiel, during this thirty-day period. As a preparation for this visit, be sure to invoke daily the Violet Flame to transmute in you every thing that is less than purity and perfection. While in the Temple, try to absorb as much as possible of the Instruction given, generally and by the Teacher assigned to you. to qualify you as a Priest or Priestess of the White Order of Zadkiel, which means that while in the world of men you shall be a walking living Violet Flame purifying everything that comes into contact with you. This is My brief Message this month. I am looking foreward to meeting you at the Temple.

Love and Blessing,

MAHA CHOHAN

THE ASCENDED HOST OF LIGHT ARE ON THE MARCH, JOIN US!

An Address by Beloved Lord Zadkiel

Beloved and blessed ones on the Earth's surface today, you who are among the aspirants to become the permanent Heart Cells created by the beloved Madonna, Mary, the Mother of Jesus, — I, Zadkiel, in My capacity as a Priest of Invocation of the Powers of Good, greet you! It is the desire of Mary, the Holy Mother, to see that this Diamond Heart enfolds this entire Earth and into It are placed those worthy chelas all over the Planet who are presently in embodiment. I have received the added dispensation of allowing to come into that mesh-work of the Universal Diamond Heart and to remain permanently there, Angels from the Seven Kingdoms. This will do a great deal to sustain It until the blessed and earnest chelas themselves are ready to come forth and **be the Light of the World!**

The Focus of Divinity is in your heart

"I AM" the Priest versed in the Law of drawing forth the Powers of Good. When Our Temple was manifested on Atlantis We taugh unascended lifestreams how to magnetize the Powers of God through the magnificent focus of God-good within each beating heart. Now again comes the Day when such magnetization is not only possible but **IMPERATIVE** for the expansion of the Light of the World to any and all who choose to listen to and **apply** Our instruction.

Let Us first remember that within your heart there is a Focus of Divinity; that Focus of which Mother Mary speaks so beautifully and of which you refer to as the Immortal Three-fold Flame of God. That is the Magnetizing Power which all of the White Priesthood on Atlantic used to magnetize and draw into the atmosphere of the Earth those currents of energy which stabilized Her and held the Atlantean Era during Its prime in

a state of harmony and peace. That same Immortal Three-fold Flame within your hearts now is likewise a Magnetizing Power not only of the good of your own "I AM" Presence and that of your own Causal Body but of the good, the full gathered momentum, of any Divine Being or Member of the Spiritual Hierarchy whom you call upon and Who welcomes the opportunity to channel that good through you, through your Holy Christ Self Flame as It expands until It fills not only your personal world, aura and spirit with influence but as It fills the world of the entire Planet Earth upon which you presently abide.

You have the power to attract Good

Now the magnetization of the powers of Good is as mechanical as the magnetization of a piece of steel by a proper agent. When the Holy Christ Flame, which is Immortal **and alive within you,** is given freedom **through you,** by your outer self and the self-conscious renunciation of your own human free will and all destructive desires, known and unknown, and you allow that Holy **Christ Flame full power,** It begins to magnetize through your blessed lifestream the fullness of your Divine Pattern and Plan and begins to magnetize also the gifts and Powers of the other Beings that dwell in Divinity's Realm and they flow forth also to make of the atmosphere of Earth a magnificent multi-colored positive radiation in which shadows cannot exist.

Beloved ones, this power to magnetize through the Sacrd Fire the Gifts and Powers of the Godhead **must be utilized and become practical through actual works.** It is Our desire, deep and sincere, to have **you** begin to experiment with the use of that Power of the Sacred Fire that is within your hearts to so magnetize not only Our Presence but Our Radiation, Gifts and Virtues. You can do this and every loving and willing chela, wherever he or she stands on the face of the Earth, can do this and they will not only be the recipients of the gifs themselves but they will be Ourselves, Sons and Daughters of Freedom, walking about the planet Earth and the hems of their Spiritual Garments will be filled with the Virtues magnetized and consciously drawn forth.

The benediction of the Violet Fire

Because the Violet Fire, for the most part, is not seen by the physical sight of mankind, very few cognize and feel **Its essence and reality.** Those of you who are kind enough to give special recognition to that Violet Fire have felt the changing of the vibratory action of your own bodies; have felt the dissolution of shadows by the power of light, have felt the removal of chaotic conditions in yourselves and others through Its use and some of you with the inner sight and hearing, have even seen that Violet Fire and heard the song of the Angels of the Violet Fire as They move along their appointed pathway.

Beloved ones, Blessed Alpha and Omega, All the Suns of all the Systems, all Solar Logii, all the Cosmic Beings, Ascended Masters, Cherubin, Seraphim and Angelic Host everyone of the Divine Beings — can be magnetized by the least of men through this Immortal Three-fold Flame of God that is within every human heart. That magnetization is a permanent blessing to and through that lifestream. However, those who are unconscious in the outer mind of the powers of magnetization of good, naturally can not use It and, naturally, do not have as much effect in benefaction as the chelas who are trained in that Power.

The activity in the Inner Realms

Beloved ones, there have been, in the ages that have come and gone, many ideas formed, many thought forms and patterns which have not been dissolved, some of them remain within the etheric realm and what you call the psychic and astral realm, and they float around there — they would be dissolved except for the fact that disembodied individuals, some of whom promulgated those very ideas, feed their life into them and keep them alive. Now these invisible focuses which are imperfect, are kept alive by the very individual or those who have a similar rate of vibration who for one reason or another would like to see them externalized in the world of form.

At the present time We are very busy at Inner Levels, disconnecting the souls of those individuals, who, between embodiments, have had certain affinity to discord. As they are taken into the Temples of Light and, as they are given knowledge of the use of the Violet Fire within those Temples of Light, then there is nothing to feed these forms and the natural process of the Violet Fire, which is blazing through those Realms **at all time** will dissolve them before they can anchor into embodied lifestreams who have the way, the means and the power, **temporarily,** to again externalize them to give distress to mankind and the Earth.

There has to be a cause and core in the **inner realms** before there is a manifestation and effect in the world of form. If We can remove these vortices of disembodied souls from their affinity, mentally, emotionally and etherically, to discord of every kind, as We are trying to do, it is easy then to remove causes and core of that discordant condition and replace it by a magnificent blazing Cause and Core of Cosmic Light, which in turn filters down through the constructive people on any one of the Seven Rays into the outer consciousness and becomes something that is constructive which they can externalize.

Then, on the other hand, you have the constructive picture. You have from the First Realm the magnificent Divine Ideas of God moulded into form on the Second Ray, animated by Pure Divine Love, through the Third Ray, purified by the Purity of the Fourth Ray, concentrated through the Fifth Ray into any one of the facets of expression that is necessary for its further development, enfolded in Peace Divine, purified and living to manifest through unascended beings who are receptive to those Divine Ideas.

How to make application

Now, beloved ones, the magnetizing of the Powers of Good come from acceptance in the **FEELING** of the Presence of Deity within you until you can say, as We said in the White Prieshood

long ago, where some of you were members; "In the Name of Almighty God, in the Name of all Life, COME FORTH" — and there came into manifestation that which required in precipitation of every kind and description. Our White Priesthood could and did bring that precipitation forth, whether it was Illuminated Faith, whether it was greater constructive Ideas, more Wisdom; whether it was Love, more Purity and selflessness of motive, greater Consecration of the lifestream to a specific facet of service, or whether it was the Mercy of the Violet Fire that was required!

That which was done once, shall be done again, because We have come forth, the Priest and Priestesses of the White Order, from the Silence wherein We abided for eons of time and We are here in this physical appearance world training chelas to magnetize the Powers of Good through themselves and through their fellowman. When you make the aplication to your own "I AM" Presence or to Me for that Power of the Violet Transmuting Flame, please **be still for a moment** and feel yourselves enfolded completely in this Violet Fire, enfolded in My Own Presence and feel within that Violet Flame, that is within your heart, the Presence of Holy Amethyst.

It is the efficacy in the use of the Violet Fire NOW when the Earth requires It most, to change all shadows and all discords into Light, LIGHT, **L I G H T** that can be seen oh, not just a thounsand miles at it was from Our Temple in Cuba, but that It may be seen throughout the entire Planetary System, and all those other Planets of Our System **KNOW** that the Earth gives forth Her Light, and the Music of the Spheres again, from the planet Earth, rises in harmony, in balance and in love to all that lives, breathes and has being, above or below.

The purpose of the Diamond Heart

I speak to you again on behalf of the Priest and Priestesses of the Order of Archangel Zadkiel and ask you to help Us in every way you can to become such a Power of conscious Invocation of Good. Practice, as Mother Mary said, yourself!

Practice, through the activities of your daily life, in allowing the expansion of your own Immortal Victorious Three-fold Flame and then practice allowing, through the radiation of Our Presence through you, to give you a sense of self mastery, poise and balance that is at all times required when handling great numbers of people or individuals who are in distress of any kind.

Beloved ones, the Ascended Master Saint Germain, His Divine Complement the Lady Portia, desire to manifest as quickly as possible on this Earth Their Golden Age of Perefection. It is to this end that Mother Mary, Myself, and All of Us are creating this larger Heart. Into It each blessed cell that loves the light and has prepared himself or herself is being placed in combination with the Angelic Host until the entire Earth will be surrounded with the glorious Planetary Diamond Heart of Light which will be a protection against the intrusion of any imperfection from within or without what will be in a measure like your own Tube of Light, only larger than the Earth rising to the ten thousand foot level all around Her.

Call forth the Powers of God

Beloved ones, when you speak of destructive thoughts, feelings and etheric patterns, you say "we shall keep our attention only upon Light." That is very true but where shadow is manifested there is a cause and core of distress and that cause and core is fed, not only by those who have been relased from the previous Compound but by unascended beings. They require not always to be dis-embodied; sometimes these beings meaning well see discord in thought, feeling, word and action and these vortices at inner levels thus have life, for they are all vampire activities. When there are no individual intelligences to feed them longer, that very instant they will be dissolved and then, through the use of the Violet Fire repolarized and CHARGED back into the Sun or into the Heart of One of the Ascended Ones, whichever it may be and then qualified with God Perfection, directed again Earthward to produce perfection here on This Planet Earth.

We want you to understand this and that is why We emphasize it to you again again. It is not that We wish to dwell upon anything of an imperfect nature. We want you to dwell naturally on the things that are **good,** BUT when manifestations here in your world today are imperfect, the wise, intelligent chela KNOWS that there is in some place a cause and core sustained by intelligent life, for only the Immortal Three-fold Flame of Life is an Intelligent Being. When that power of coalescence is removed then instantly that discordant form disappears. It is the same in a constructive way — the Immortal Victorious Three-fold Flame wihin your heart is the power of the coalescence of good into your world and into your auras. It is the power of radiation of the good that has been drawn forth, magnetized by your blessed selves for the blessing and benediction of all mankind.

Let Us then, in the Name of Mother Mary, in the Name of Our beloved Ascended Master Saint Germain and Lady Portia, in the Name of Our beloved Jesus, the beloved Ascended Master Morya, call forth THOSE POWERS OF GOOD, latent within you, and let those P O W E R S of Good EXPAND through you for the benediction and blessing of yourself and of your fellow man. THEN, and then alone, are you true Priests and Priestesses of the White Order that wear Purple Vestments according to the efficacy of your Power. If you will do this and cooperate with Me in its full manifestation and expression, We can greatly hasten through the removal of discord and release through your Causal Bodies, through your own silver cord and through the expanded Three-fold Flame of God within your heart, the acceleration of your Divine Plan fulfilled and the Plan of the Divine World fulfilled as well.

Remember, you have the Rod of Power

We will retreat no more, beloved ones! The Ascended Host of Light are on the march toward the planet Earth and with Them come all of the Beings that represent God's Holy Will and God's Holy Way. Join us!

We come as usual, earlier to the 'few' and then later, when they are prepared, to the masses. I say, in the Name of the Power of the Violet Fire of Mercy, WE SHALL RETREAT NO MORE! We are manifesting and expanding God's Perfection to every chela, here and wherever Mother Mary and Lord Raphael find them upon the planet Earth. So help Us now in your endeavors to expand your light without strain, without stress, but with a constant remembrance that you have the Rod of Power; you have the very Essence of Cration in your beating hearts. You have, through the spoken word, the power to direct those currents of energy verbally when necessary and the discrimination and discretion to direct them mentally when necessary until shadows are no more.

Invocation

Let Us here, in the essence of the Universal Diamond Heart created by Our Beloved Mother Mary, feel the magnificent Powers of the Violet Fire, the Transmuting Flame, flowing in, through and around this Earth, all Her evolutions, all salamanders, sylphs, gnomes and undines, all human kind, all Earth's substance, the water substance, the air element, the fire element and let Us feel the fullest power of that.

In the Name of the Presence of God "I AM", I invoke the cooperation of the Immortal Victorious Three-fold Flame in the hearts of man and all the Beings and power of the Angelic Kingdom and the Nature Kingdom in this great endeavor so that We may have the forward and onward progress toward perfection. SO BE IT, in His Name!

HOW CAUSES ARE DEVELOPED

An Instruction by Beloved Mighty VESTA

(With interpolated headings)

A — MY SERVICE TO LIFE

IS INVESTING LIFESTREAMS **WITH** AUTHORITY AND POWER

Life defined. "I "AM" the Embodiment of the "Invocative Power" by which Universal Life and Light begin an active expression of use-full-ness.

Life is the servant of Flame, as is Light the radiation of Life. Without any Intelligent Director, Life would remain forever unformed, quiescent. Within Life the Godhead has placed every power, attribute, capacity and virtue which is His.

Man's duty. Man must learn of ITS Presence and how to draw forth Its Fullness. He must become **vested** with the Power of Creation. Love of Life and a desire to understand Its Nature precede My Service to the envolving soul.

My Answer. I, then, INVEST them with the knowledge of Life's Potentialities and their capacity to unfold and draw forth from Life the fullness that God has incorporated into this ever-present, intelligent, vital substance. My activity is to draw forth, mould and externalize this potential perfection through My pupils. To

invest an individual with authority, is to confer upon his Life Flame, powers not previously present.

INVESTING LIFESTREAMS **IN** WORLD OR LOCAL CAUSES

My Capital. "I AM" the Root of Investment, and a powerful force in the financial world when understood. People design a project and invest their substance so the project may live and have the authority to govern their fortunes.

I INVEST lifestreams in Causes, working with the Lords of Karma, to further world progress. These lifestreams represent My Capital, and the Causes benefit by their Presence.

Director of Cosmic Ventures. All Cosmic Ventures are placed before Me by their Sponsors and the Great White Brotherhood. Lifestreams capable of assisting in carrying these missions through the veil of embodiment must come before Me, and if their light and Karma and capacities are judged proper for the particular service, they are INVESTED (together with their Sponsor) with certain powers and dedicated to a Cause. This is all done at inner levels, and "circumstances" draw people together in the world of form when it is proper for the Investment to begin working for some faucet of Universal Good.

B - DEVELOPMENT OF CAUSES CREATED BY THE GODHEAD.

Origin of Causes. Many Causes are set up by the Godhead, and many Causes are born through the initiative of His children.

A Cause, to which a lifestream may choose to dedicate His Life, is not necessarily created by the individual himself, but it can be assumed, and an individual interested in such service may take the responsibility of carrying such a Cause to manking that its ultimate beneficial effect may sooner be the heritage of the people.

The Godhead may create Causes; Intelligent Beings, pondering on ways to serve God's plan, may evolve Causes and bring them into outer manifestation.

The Cause of Freedom. The Cause of Freedom was born in God's Heart when the first Flame was created, for God desired all His Creation FREE.

When a Cosmic Desire of God's Heart pulsates in the Higher Heavens, waiting to be claimed, ensouled, and lowered by One of His Children, It is so finely attuned and vibrates so quickly that it is neither visible nor tangible to even tremendously evolved Beings, EXCEPT where their own interests and leanings through the centuries have created in them a sympathetic vibration. Thus a Being would have had to love Freedom, serve Freedom for centuries before the Cosmic Pulsation would be even discernible in the blazing Cosmic Light, which is the Desire World of the Great Central Sun.

Saint Germain claimed the Cause of Freedom. Such a Being is Saint Germain! He finally achieved a personal evolution sufficient to PERCEIVE God's Desire to bring Freedom to His Creation. (The ability to perceive the Presence of any Blessing is one of God's Gifts and is developed by the humble listening heart).

When Saint Germain (among all the hearts in Heaven) pierced through God's Aura and entered the Secret Place of the Most High, He saw "unclaimed" the Cause God had set up before the world was, and which one day must, by the nature of Its Being, have an effect which would be manifest as unconditional Freedom for every part and particle of His Creation. **Love which had answered before the call. God providing before the need.**

His Heart thrilled at sharing the Father's Secret Desire. He loved that "Cause" and prayed and prepared that some day He might be worthy to ensoul that Cause with His Own Flame and carry It down to the world of men that Its effect might extermalize on the screen of maya.

Time of fulfillment. The Great Central Sun Itself would call the Being prepared to carry His particular Cause to fulfillment, either when the Cosmic Hour for Its birth was come, or — some Child of Heaven had anticipated that hour and become the fit vessel for its outer manifestation **before** the hour.

When any Being becomes ready to be invested with a Cosmic Cause, the Law of magnetic attraction begins to pull on the Heart of God and the Cause that has lain therein starts on its downward course to join itself in the call from below. Thus does the Godhead become aware of the readiness of the race for a greater Blessing.

Saint Germain's Preparation. The Father called the Son — Saint Germain — in the ripe hour and Saint Germain entered in a Comic Initiation, the Great Flaming Desire of Freedom and ensouled It with His Flame, taking full responsibility for carrying It to the Earth and letting Its effect radiate through all life and all creaed beings.

Saint Germain's students are invested with the knowledge and power of the Sacred Fire by Me. Those who accepted them, with their Sponsor, were given audience before Me and each invested with the knowledge and power of the Sacred Fire and the vision of the Cause in Its fullness. Then, as a corporate body, they — together with Their Master — were cosmically invested, their bodies, minds, natures, heritage, in the Cause of Freedom and **none can leave that Cause** until Its effect is manifest. All are My Investment in the Name and by the Desire of the God of Love.

C - DEVELOPMENT OF CAUSES EVOLVED THROUGH INDIVIDUAL INITIATIVE — FIVE STEPS.

1st — For instance, an advanced Being (initiate) desires to bring to the human race the Art which He has leanred to love in the Sphere of Light. Working in this Sphere under the Chohan of Art, He feels the race would benefit IN SOUL GROWTH by seeing, absorbing and creating this perfect Art (which up to this point may never have been expressed on Earth before).

2nd — The Lords of Karma hear His Plan, weigh His worth and capacities, and — looking at the World Plan — acquiesce to His desire to embody and bring His gift to humanity.

3rd — Then He must interest contemporary spirits in HIS CAUSE. They must not only love Him, but be found capable of offering beneficial talents, capacities, etc., according to their soul growth and nature. They, too, must be passed by the Lords of Karma.

4th. — If this Being is fortunate enough to secure fellow beings willing to assist Him, then the Sponsor and His Group come before Me (Vesta) and they are individually and collectively INVESTED in the Name of God in this movement.

I alone take the responsibility for **investing** souls, life, time, energy, intelligence, in a Cause, and the resultant effect (the failures and successes) become My personal obligation to Life. Thus the Cause is carefully studied, its possible beneficial result on the race, the nature and capacities of the Sponsor and volunteers, before such investment takes place.

All those invested, are then, in turn, Vested with the power and authority of the Sacred Fire to draw out of Life everything their intelligence prompts them to call forth to perfect, protect, beautify and expand the Cause they serve. They carry more power than the masses, for they have been cosmically ordained.

5th. — During the entire course of embodiment they work consciously or unconsciously for the Cause they accepted at inner levels and I, naturally, am vitally interested in their progress. In times of crisis I am, because of My personal responsability, privileged to ender into the Cause with My Power and Light.

The Vestal Virgins. The activity of the Vestal Virgins has been little understood. They were lifestreams who volunteered at certain periods of Earth's growth to take embodiment and through devotion to the Sacred Fire, vitalize definite Causes dedicated to further the evolution of the race. This concentrated Presence of the Sacred Fire, drawn earthward, and sustained by the guarding lifestreams of the Virgins, was the sustaining power of those movements — civic, religious, artistic, etc. The Vestal Virgins were VESTED with Power, and INVESTED in a world Cause or a local Cause through My Lifestream.

—Gently, "I AM" Vesta—

WHAT IS THE BRIDGE TO FREEDOM ACTIVITY?

"The Bridge to Freedom Activity" is a consciously Created "Span" or "Bridge" over which man's consciousness may proceed into the Consciousness of the Great White Brotherhood of Divine Beings Whose present, urgent endeavors are to save manking and the Earth from colossal disaster at this time of Great Cosmic Import and proceed harmoniously into the Permanent Golden Age ordained by God on Earth.

Through the Bridge to Freedom Activity man can now cooperate with these Divine Beings and Their Councils on mankind's behalf.

A Bridge, to be worthy of the name, must have firm, positive anchorage at both ends of the Span.

There is no question of the Divine Side of Life and Their anchorage.

Now man, not by whip of human will, but by Love of Divine Will, must **volunteer** to help anchor this side, so that the Counsels, the Plans, and Activities of these Great Divine Beings can become active on Earth as they already are in Heaven.

Know the Truth

"God's Will be Done."

"Peace on Earth as it is in Heaven."

"Life on Earth as it is in Heaven."

These Cosmic Fiats now must be made a reality on Earth, to, through and by all races, all creeds, all colors, for Earth's Divine Destiny is to be the fulfillment of God's Plan, Divine Will, and Divine Wisdom, not man's concepts and opinions of such.

"Know the Truth" and the Truth when Scientifically Applied will set man free.

The Truth and its Scientific Application is the Consciousness of these Great Divine Beings Who have Graduated from human into Divine Consciousness by Right Use of Life.

Only One Who has Graduated from a human being into an Ascended Being is infallible and capable of showing another the Way Back Home.

Thus again, the Bridge is not only a convenience but a necessary Span whereby the Scientific Application of Divine Law can be lowered into human consciousness by Those who have successfully applied that Law, and therefore are that Law as the word "Lord" so signifies.

In the pages of the **Bridge to Freedom** journal and all other "Bridge to Freedom" publications, are given the Divine Explanation and Practical Application of the Laws governing Life.

The Bridge to Freedom Activity is already in action in many places and countries on Earth.

The Signs of the times

Since all mankind are involved, just so should all mankind now become vitally and actively interested, for all are using Life, God's Life, not their life. God Life is now, always has been, and always will be correctly lived only by Loving Obedience to the Divine Laws of Life.

The Bridge to Freedom is the final Span that now makes it possible for man to re-vivify his long lost memory of God's Laws, apply then under Divine Guidance and free himself and this Planet while he yet has time, as the "Signs of the Times" are upon man right now!

This is not scare propaganda!

The Planet Earth and all Her peoples are now under the Divine Fiat of God's will to fulfill His Will, and move forward using Light as their Guide and Tool, not shadows.

Those who obey God's will — will move into action to do so now. Of these is the Bridge to Freedom' made strong. These are the active Bridge Builders.

This New Wine (Spiritual Truth) is not come in the old Bottles. This New Wine is come uncontaminated direct over The Bridge from Heaven's Realm into the outer consciousness of the alert and earnest individual.

Love, Pure Divine Love, is its motive and purpose, tax free and non-profit.

Hear Now These Great Ascended Masters of Wisdom:

"THE SUPREME IMPORTANCE OF THE HOUR"

"Each of the seven Planets of the present physical Sun must be quickened to enter and sustain itself in the orbit of the graduating Planet. Great Beings are delegated to the task of quickening the vibrations of those Planets and We—whose responsibility rest with the Earth — MUST prepare Our Planet and Her people to vibrate at the rate of Venus' present Perfection. We are, therefore, of necessity FORCED to reach makind quickly. ALL OF THEM. For this moment have We invested in you Our Love, Our Life, Our Radiation, and I SHALL EXPECT EVERY ASSISTANCE in the Cosmic Push of the Hour. EVERY OTHER PLANET OF OUR SUN HAS ALREADY SIGNALED "READY —. Yet the Cosmos must wait on the Earth and We MUST SOON HAVE THAT 'GO AHEAD' sign from the hearts of men. HELP US SPEED THAT DAY."

(From the address of Our Beloved Maha Chohan, upon the opening of His Retreat, on May 15, 1952,, at Ceylon, India)

Rather than question the veracity of the above — better by far and far wiser, why not join in and learn to project your consciousness and find out first hand! VOLUNTEER! Join hands with your followman and help in this Cosmic Hour to redeem this Earth.

The Requirement of the Hour

Again the New Wine uncontaminated flows forth:—

"The time has arrived when it is NOT sufficient in itself to accept the existence of the Masters of Wisdom; it is NOT sufficient to gratify the feeling nature in reading and re-reading Their Words; it is NOT sufficient to invoke the Light to dispel the darkness of human ignorance.

THE REQUIREMENT OF THE HOUR is to Apply what has been taught, not only in recent years but during the past centuries. THE REQUIREMENT OF THE HOUR is for man to acquaint himself with the present Activities of the Great White Brotherhood. THE REQUIREMENT OF THE HOUR is for each man to turn within, consciously contact and connect his outer consciousness, with his own CHRIST SELF, thus becoming not only a Receiving but a Radiating Center to all the Life he contacts in his daily living.

To satisfy this requirement is the Service that THE BRIDGE has come to render."

You see, it makes the purification and cleansing of the earthplane an endless task, if those who know that energy act according to their qualification of it still continue to pour it forth qualified imperfectly.

KUTHUMI, Chohan of the Second Ray (1)

One of the chief requirements for Spiritual Mastery is **discrimination.** Call to me if you wish—to My Beloved Lord Maitreya — or to the Great Lord Buddha for that discrimination **wherein you may recognize the Voice of the Silence.**

PAUL, THE VENETIAN, Chohan of the Third Ray

The sharing of individual consciousness is the sweet communion of true Friendship and Brotherhood... Those who serve Us must make mankind aware of Our Presence.

SERAPIS BEY, Chohan of the Fourth Ray

We are the Bridge Builders and you are the foci for Our Endeavors to connect with the mind, the thought, the consciousness of all men.

HILARION, Chohan of the Fifth Ray

Every man becomes individually responsible for the quality which he charges into his energy as it passes through his mind, feelings and body into the world around him.

JESUS, Chohan of the Sixth Ray (1)

Tho find God within oneself is the purpose for incarnation and the only way Home again into the natural state of Blessedness, Peace and Power which such God-Awareness brings.

SAINT GERMAIN, Chohan of the Seventh Ray

THE BRIDGE is one way by which We share **Our** Vision with Our chelas, and they share their life energies with Us in co-operative service to the fulfillment of God's Divine Plan.

(1) Since the above was written the Ascended Masters Kuthumi and Jesús have become World Teachers, and the Ascended Masters Lanto and Lady Nada have taken the places of Ascended Masters Kuthumi and Jesus, as Chohans of the Second and Sixth Ray, respectively.

The only Common Denominator by which all races, all creeds, all colors, can harmoniously adjust and permanently abide together in Peace on Earth is to understand and obey God's Laws of Life.

Universal Brotherhood

"Universal Brotherhood is possible only by obeying God's Rules for the Right Use of His Life wherever we may be.

This God Knowledge is now again released and but awaits man's acceptance, correct application, and right use, to bring about harmoniously the transmutation of all man's troubles.

Such Loving Co-operation will usher in the Last and Permanent Golden Age for the Earth and Her People.

The laggards, the wilful disobedient, and defiant, will take further instruction elsewhere in the Universe, as the Fiat of God's Will for this Earth and Her people is already so issued, so ordered, and is so to be fulfilled! SO BE IT!

One last word — 'World Brotherhood' as sponsored by 'THE BRIDGE TO FREEDOM' and all its subsidiary publications does not constitute the leveling of all men to the sub-standards of the lowest strata of human kind — but rather the conscious raising through Education and Competent Guidance of the entire human race — through the individual — to the highest standards of moral, ethical, economical and spiritual maturity."

"Prove all things;

HOLD FAST that which is good"

One does not have to leave present affiliations in order **to understand and apply** the Divine Laws of his or her own God Given Life, acting in the spirit of the words of Paul to the Thessalonians, "Prove all things; HOLD FAST that which is good."

Therefore, once the inquirer has found what to his understanding IS GOOD, he should hold fast to it. If he wishes to succeed in his endeavors, he should not mix the teachings of two different schools, even if one of them claims that it is similar to the other, or even an expansion or improvement of the other, as the Ascended Masters have said that no one can reach his destination traveling in different directions at the same time, or using different guides. The Bridge to Freedom Activity has no connection whatsoever with any other organization old established or dissident.
